It shall be unlawful for any person who shall own or occupy any lot or lots in the City limits to allow weeds and/or grass to grow on such lot or lots to a height of more than twelve (12) inches. Section 1. Right to Abate Dangerous Conditions. Whenever an immediate danger to the health, life or safety of any person exists as a result of garbage, rubbish, junk, trash, unwholesome matter, sewage or toxic waste discharge, storage of airtight containers in an unsafe location, or weeds which have grown to a height, at any point on the property, of greater than 48 inches, the City may abate the nuisance without notice to the owner. (b) If an officer charged with the enforcement of this Ordinance shall determine that a situation exists which immediately affects or threatens the health, safety and well-being of the general public, and that immediate action is necessary, such officer may take such action as shall be necessary, including issuing citations for violations of the terms and provisions hereof to the owner and/or occupant of the property upon which such condition exists, as may be deemed appropriate and necessary.

(c) If an officer charged with enforcement of this Ordinance determines a situation constitutes an immediate threat to the public health, safety and welfare, and the owner or occupant of the property is absent or fails to immediately remedy the violation, the City Council may, at a regular session or at an emergency session called for the purpose of considering the issue, upon evidence heard, determine that an emergency exists and order such action as may be required to protect the public health, safety and welfare. In such event, the City may prosecute an action in any court of competent jurisdiction to recover its costs.

(d) If any owner or occupant shall fail or refuse to remedy any of the conditions prohibited by this Ordinance within seven (7) days after written notice to do so, the City may do such work or cause the same to be done, and pay therefor, and charge the expenses in doing or having such work done or improvements made to the owner(s) of the property, and such charge shall be a personal liability of such owner to the City.

(e) Notices required pursuant to this Ordinance shall be in writing. Such notices may be served upon such owner, occupant and/or person in control of the property as follows: in person by an officer or employee of the City; by letter addressed to such owner or occupant at his/her post office address; or, if personal service may not be had, or the owner or occupant's address be not known, then notice may be given by publishing a brief summary of such order at least once in the

official newspaper of the City or by posting a notice on or near the front door of each building on the property upon which the violation relates, or, if no building exists, by posting notice on a placard attached to a stake driven into the ground on the property to which the violation relates. The notice shall state "Sanitary Improvements", "To Whom It May Concern" and a brief statement of the violation(s). Service of the notice by any one of the above methods, or by a combination thereof, shall be deemed sufficient notice.

(f) If an owner is mailed a notice in accordance with subsection (e) and the United States Postal Service returns the notice as "refused" or "unclaimed" the validity of the notice is not affected, and the notice is considered as delivered.

(g) Notices provided by mail or by posting as set forth in subsection (e) may provide for year round abatement of the nuisance and inform the owner that should the owner commit any other violation of the same kind that pose a danger to the public health and safety on or before the first anniversary of the date of the notice, the City without further notice may abate the violation at the owner's expense and assess the costs against the property.

(h) Persons littering, in violation of Article II or causing or creating a prohibited nuisance in the presence of a person authorized to enforce this Ordinance, may be cited or a complaint filed for such violation without notice of the violation, or warning, and such citation or complaint shall be filed in the Municipal Court of the City of Rogers.

Section 4. Costs and Appeals. In addition to any other remedy provided in this Ordinance and cumulative thereto, the Code Enforcement Officer, after giving to the owner of the property seven (7) days' notice in writing, as provided in Section 3 of this Article, may cause any of the work or improvements mentioned in this Ordinance to be done at the expense of the City, and charge the utility bill of the property on which such work or improvements are done, and cause all of the actual cost to the City to be assessed on the real estate or lot on which such expenses occurred; provided, that the owner of any such real estate may appeal to the City Council from the order of the Code Enforcement Officer by filing a written statement with the Code Enforcement Officer within seven (7) days after receipt of the notice provided for above, stating that such real estate complied with the provision of this Ordinance before the expiration of a seven (7) day period. The City Council shall set a date, within thirty (30) days from the date of the appeal, for hearing the appeal to determine whether the real estate complied with the provisions of this Ordinance before the expiration of such seven (7) day period. The authority of the Code Enforcement Officer to proceed to cause such work to be done shall not be suspended while an appeal from the order is pending. If it shall be determined by the City Council that the premises complied with the provisions of this Ordinance before the expiration of the seven (7) day period, then no personal liability of the owner shall arise nor shall any lien be created against the premises upon which such work was done.

Section 5. Cost of Abatement Constitutes Lien. Cumulative of the City's remedy by fine, as set forth herein, the City may do such work or cause the same to be done to remedy such condition to remove such matter from such owner's premises at the City's expense and charge the same to the utility bill of such property and assess the same against the real estate or lot or lots upon which such expense is incurred.

(a) Expenditures plus ten (10) percent per annum interest on the expenditures from the date of such payment by the City shall be added to the next billing cycle for utility bills for the real estate or lot or lots, if not already paid. Payment shall be due and payable in full by the owner or occupant at the time of payment of such utility bill. If the property is unoccupied, no utilities shall be furnished to the property where the work occurred until such obligation, as herein set out, payable to the City for abatement of any nuisance described herein is paid in full.

(b) Upon filing with the county clerk of Bell County, Texas, of a statement by the City Secretary or designee of such expenses, the City shall have a privileged lien upon said real estate or lot or lots, second only to tax liens and liens for street improvements, to secure the expenditure so made and ten (10) percent per annum interest on the amount from the date of such payment so made by the City.

(c) The City may, additionally, institute suit and recover such expenses and foreclose such lien in any court of competent jurisdiction, and the statement so filed with the county clerk or a certified copy thereof shall be prima facie proof of the amount expended in any such work or improvements to remedy such condition or remove any such matter.

Section 6. Enforcement. The civil and criminal provisions of this Ordinance shall be enforced by the persons or agencies designated by the City, including, but not limited to, the Bell County Sheriff's Department, the City of Rogers Police Department, the Building Official, and the Code Enforcement Officer.
